Arlington Uncle Sam Committee Minutes - Monday Feb 20th 2012

Uncle Sam Committee Meeting Minutes. Monday Feb 20th 2012, 6pm. Jefferson Cutter House. Members attendees: Laurence McKinney, Mike Ruggieri, Hugh McCrory. Guests: Jane Lee. Warrant Article: Laurence prepared photos of the Lexington Minuteman and Arlington Uncle Sam statues. These photos show the minuteman statue lit up at night in contrast to the Uncle Sam statue that is in near darkness and barely visible. The photos will be presented to the Finance committee when we speak to them regarding the Uncle Sam Committee warrant article 56. One of the purposes of that article is to raise some funds for a light on the Uncle Sam statue. Lighting the statue will raise the profile of Uncle Sam as a native of Arlington on a daily (or rather nightly) basis. Rain Garden: Mike discussed the progress on the Rain gardens plans and his discussions with the MWRA. A decision of the rain garden candidates will be taken in the next couple of months. Logo on Recycling Bags: LMK to send the Logo to Julie Brazile (co-chair of the Recycling Committee) for inclusion on the Recycling tote-bag. Remaining agenda items were not discussed.
